New-Way Wonder
for Corns, "Gels-It"

The Big Surprise for Corn Owners.
It's Sure, Simple, Safe, Quick.

Listen to the story of "Gels-It,"
the world's greatest corn remedy. It's
a short story, only about two feet—
"Mary had a little 'Gels-It,' and
corns upon her toe; and every time

Stop Misery and Embarrassment Like
This With Simple, Easy "Gels-It."

she put on "Gels-It," the corn was
sure to go. Mary, like thousands of
others, used to be a heroine, suffering
martyrdom, using painful bandages,
irritating salves, sticky tape, toe-
harnesses, blood-bringing rasors and
surgical. She says now there's no sense in
it. Use "Gels-It," applied in 3 seconds.
Easy, simple, new way—just painless com-
mon sense! Millions are doing it.
Never fails. You can wear smaller shoes
now. You don't have to limp around
any more, or walk on the side of your
shoes to try to get away from your corns!
You know for sure before you use
"Gels-It" that the corn or callus is going
away. For corns, calluses, warts and
bunions.
"Gels-It" is sold by all druggists,
Mo's bottle, or sent direct by E. Law-
rence & Co., Chicago.

The readers of this paper will be pleased to
learn that there is at least one dreaded disease
that science has been able to cure in all its
stages, and that is Catarrh. Hall's Catarrh Cure
is the only positive cure now known to the med-
ical fraternity. Catarrh being a constitutional
disease, requires a constitutional treatment.
Hall's Catarrh Cure is taken internally, acting
directly upon the blood and mucous surfaces of
the system. It is a powerful, yet a soothing
remedy, and giving the patient strength by
building up the constitution and assisting na-
ture in doing its work. The proprietors have
so much faith in its curative powers that they
offer One Hundred Dollars for any case that it
fails to cure. Send for list of testimonials.

Chief Engineer
Gains 40 Pounds

Almost Lost Hope of Getting
Well—Takes Tanlac and
Feels Fine Now

"Tanlac to my mind is the great-
est and grandest medicine in the
world," said O. H. Mahaffy, Chief
Engineer of the Life and Casualty
Bldg., Nashville, a few days ago.

"I have taken eight bottles," he
continued, "and have actually gained
forty pounds in weight, and feel
stronger and better than I have in
twenty-five years."

"For two years I have suffered
with the worst kind of stomach trou-
ble and indigestion, and fell off in
weight from 210 pounds to 162. I am
now back at 202, which is almost as
much as I weighed before I was taken
sick. About six months ago I got
awful bad off, and called in the doc-
tor and he told me I had an ulcer of
the stomach, and if I was not careful
it might turn into cancer. He gave
me some medicine. I didn't seem to
get any better, and was afraid to eat
anything except a little oat meal and
sweet milk, but in spite of every-
thing I could do, I just kept going
down hill, and got weaker and weak-
er every day. I got so disheartened
one day I told my employer it looked
like I would have to throw up my
job. I was trying to hold on tho' as
long as I could, for I had a family to
support, and I made up my mind that
just as long as I could drag myself
around I would stick it out."

"One day my wife told me what
she had read in the papers, and what
the neighbors were saying about Tan-
lac, and begged me to try it. She had
read about a man who had taken it,
described my case exactly, and he
was getting lots better, but I had
tried all kinds of medicines, so I didn't
have much hope of it doing me
much good. Besides, my doctor had
already told me I would have to be
operated on in order to get relief.
Something just told me tho' it might
help me, and I decided to try it."

After I had taken it a day or two I
got so hungry I just simply had to
eat, and you can believe me or not,
nothing seemed to hurt me a particle.
My wife said to me 'Tanlac must be
helping you' and I said 'I guess it is
from the way I am eating.'

"It wasn't long before those awful
pains in my stomach and the small
of my back began to leave me. Then
I noticed I began to sleep better, and
I would get up in the mornings full
of life and ready to work. This med-
icine seemed to take hold quicker
than anything I ever saw, and braced
me right up. I am telling all my
friends about Tanlac, and hope ev-
erybody will hear about it."

Tanlac is sold in Cookeville exclu-
sively by Wily Drug Co. adv.
